BY THE PRESIDENT OF THE UNITED STATES OF AMERICA,
A PROCLAMATION.

Dominican R.
e public customs
revenue.
Preamble.

Whereas a convention between the United States of America and the Dominican Republic providing for the assistance of the United States in the collection and application of the customs revenues of the Dominican Republic, was concluded and signed by their respective Plenipotentiaries at the City of Santo Domingo, on the eighth day of February, one thousand nine hundred and seven, the original of which convention, being in the English and Spanish languages, is word for word as follows:

Whereas during disturbed political conditions in the Dominican Republic debts and claims have been created, some by regular and some by revolutionary governments, many of doubtful validity in whole or in part, and amounting in all to over \$30,000,000, nominal or face value;

And Whereas the same conditions have prevented the peaceable and continuous collection and application of National revenues for payment of interest or principal of such debts or for liquidation and settlement of such claims; and the said debts and claims continually increase by accretion of interest and are a grievous burden upon the people of the Dominican Republic and a barrier to their improvement and prosperity;

And Whereas the Dominican Government has now effected a conditional adjustment and settlement of said debts and claims under which all its foreign creditors have agreed to accept about

Por quanto, durante las condiciones de disturbios políticos en la República Dominicana se han originado deudas y reclamaciones, creadas unas por Gobiernos legales y otras, por Gobiernos revolucionarios, muchas de dudosa validez en todo ó en parte y montantes en total á mas de \$30.000.000 oro de valor nominal;

Y por cuanto, ese estado de cosas ha impedido el cobro pacífico y continuado y la aplicación de las rentas de la nación para el pago de intereses ó capital de dichas deudas ó para la liquidación y ajuste de dichas reclamaciones; y dichas deudas y reclamaciones van en continuo aumento por acumulacion de intereses y son una carga onerosa para el pueblo Dominicano y un obstáculo á su mejoramiento y prosperidad;

Y por cuanto, el Gobierno Dominicano acaba de llevar á efecto un ajuste y arreglo condicional de dichas deudas y reclamaciones de acuerdo con cuyos términos todos sus acreedores extranjeros

\$12,407,000 for debts and claims amounting to about \$21,184,000 of nominal or face value, and the holders of internal debts or claims of about \$2,028,258 nominal or face value have agreed to accept about \$645,827 therefor, and the remaining holders of internal debts or claims on the same basis as the assents already given will receive about \$2,400,000 therefor, which sum the Dominican Government has fixed and determined as the amount which it will pay to such remaining internal debt holders; making the total payments under such adjustment and settlement, including interest as adjusted and claims not yet liquidated, amount to not more than about \$17,000,000.

And Whereas a part of such plan of settlement is the issue and sale of bonds of the Dominican Republic to the amount of \$20,000,000 bearing five per cent interest payable in fifty years and redeemable after ten years at 102½ and requiring payment of at least one per cent per annum for amortization, the proceeds of said bonds, together with such funds as are now deposited for the benefit of creditors from customs revenues of the Dominican Republic heretofore received, after payment of the expenses of such adjustment, to be applied first to the payment of said debts and claims as adjusted and second out of the balance remaining to the retirement and extinction of certain concessions and harbor monopolies which are a burden and hindrance to the commerce of the country and third the entire balance still remaining to the construction of certain railroads and bridges and other public improvements necessary to the industrial development of the country;

And Whereas the whole of said plan is conditioned and dependent

han convenido en aceptar unos \$12,407,000 por deudas y reclamaciones ascendentes á unos \$21,184,000, valor nominal, y los tenedores de reclamaciones y deudas interiores por valor nominal de \$2,028,258 aproximadamente, han convenido en aceptar unos \$645,827 por las mismas, y los demás tenedores de deudas ó reclamaciones interiores, según los mismos términos que han servido de base en las aceptaciones ya recibidas, percibirán unos \$2,400,000 por aquellas, la cual suma el Gobierno Dominicano ha fijado y señalado como la que pagará á dichos tenedores restantes de la deuda interior; lo que hace ascender los pagos totales que hayan de efectuarse de acuerdo con dicho ajuste y arreglo, incluyendo el interés ajustado y las reclamaciones por liquidar, á no más de unos \$17,000,000.

Y por cuanto, en dicho plan de arreglo entra la emisión y venta de bonos de la República Dominicana por la cantidad de \$20,000,000, devengando interés al tipo de cinco por ciento, que serán amortizados dentro de cincuenta años y redimibles transcurridos diez años al ciento dos y medio por ciento, y requiriendo el pago del uno por ciento por lo menos al año para amortización, debiendo ser aplicado el producto de dichos bonos junto con la cantidad que se halla depositada en favor de los acreedores, procedente de los ingresos de aduanas de la República Dominicana hasta la fecha recibidos, una vez pagados los gastos de dicho ajuste, primeramente al pago de dichas deudas y reclamaciones en los términos ajustados, y en segundo lugar, con el remanente, á cancelar y extinguir ciertas concesiones y monopolios en los puertos, que son una gravosa carga y un obstáculo al comercio del país, y en tercer término, el sobrante total que aun quede, á la construcción de ciertos ferrocarriles y puentes y otras obras públicas necesarias al desarrollo industrial del país.

Y por cuanto, dicho plan en su totalidad tiene por condición

upon the assistance of the United States in the collection of customs revenues of the Dominican Republic and the application thereof so far as necessary to the interest upon and the amortization and redemption of said bonds, and the Dominican Republic has requested the United States to give and the United States is willing to give such assistance:
